

## ***Idioms in English – Phrasal Verbs***

Idioms like “bank on something” and “measure up” are used frequently in conversations, email, and presentations in English. When nonnative speakers of English don’t understand the idioms, they can miss the point of a conversation, email, or presentation since the idiom is often used to encapsulate the message.

This is a self-paced course. Students should review the course syllabus before enrolling. Each student will have up to 12 months to complete the course and meet the course objectives as outlined below.

### **Electronic textbooks for the course - *Idioms in English – Phrasal Verbs***

The electronic textbook for this course includes pre and post assessments with instant scoring and features over 220 interactive lessons.

Each of the 9 chapters feature:

- TOEFL® listening practices to check comprehension
- Stories and Dialogues using the idioms in context
- Reading comprehension quizzes to identify the meaning of each idiom
- Idiom pages with definitions, examples, and pronunciation notes
- Dictation and focus word practices with scoring
- Chapter reviews with scoring

***Idioms in English – Phrasal Verbs*** was first released in 2016. The program has been used by nonnative speakers of English internationally and in the United States in workplace settings like the IBM research labs in both California (Almaden) and New York (Watson). Schools like the University of Oklahoma and De Anza College use these programs in their language labs.

### **This course includes:**

- ✓ 24/7 access to the interactive, electronic textbook
- ✓ Access to an audio book version
- ✓ Weekly “Tips from the Author” emails with links to narrated movie files
